### ELECTION DAY

Was Bright and Beautiful and Noticeable For the Absence of Turmoil

Tuesday the election passed off here without a ripple of unnecessary noise or excitement, being entirely free of serious trouble of any kind. It was altogether unlike election days just after the late unpleasantness; then it was there was something doing every minute in the day. Those were the days a fellow had to be a little particular how he tramped on the other fellow's toes—they were strenuous times to any the least, and the old campaigner recalls with a pleasurable sigh those good old days of yore now passed into oblivion.

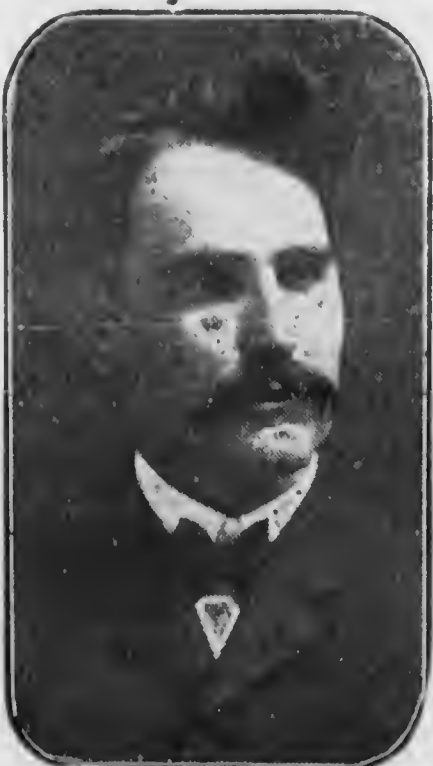

With the exception of the first early hours of the morning there were not a dozen voters standing around the polling booths at any one time during the day, and a stranger, not aware of the fact, would not have known that an important election was going on, so orderly was everything conducted.

After nightfall the scene changed somewhat, the boys having evidently liquored up a little. They became more animated and things took on a real election-night hue. But everything considered, the evening was uneventful and without grave trouble to mar the closing of a momentous day.

There were not over a half dozen arrests made during the day and evening, and they were for taking on a little too much cornjuice.

JOHN WANAMAKER foresees in the election of TAFT greater prosperity than the country has experienced. He said:

"The halt in this business expansion has been only temporary. Era of Great Prosperity Now to Begin. No one need fear for the future. It will be found that no one has been seriously hurt in the panic, inconvenient as it was.

"Of course, the Republican party is going to revise the Tariff. It is bound to do this under the next administration or public sentiment will blackball it at the next election.

"The Republican party is the only party that believes in and understands the Tariff and its patriotism commends it to proceed promptly and meet the views of the people by moderating the present Tariff in careful ways that will not upset the business of the country.

"The business interests of the country at the present time require a rest from both financial and Tariff panics and the Republican party can make a beginning at revision with a few protected articles and when the country is adjusted to these, continue to make more, until we have a more satisfactory Tariff.

"President ROOSEVELT has called himself only the 'arouser of moral sentiment.' I know Mr. TAFT to be a man of action and a doer of deeds and he will carry on the work that Mr. McKINLEY and Mr. ROOSEVELT have begun and lead this country into a new era of prosperity."

Hamilton county, Ohio, gave Taft about 17,000 majority, while Harmon, Democratic candidate for Governor, carried the county by over 17,000.

The Ohio Legislature is safely Republican by perhaps 20 on joint ballot, enough, however, to insure the election of a Republican Senator to succeed Joseph B. Foraker.

FAIRVIEW, LINCOLN, NEB., Nov. 4th.—Although it was after midnight when he went to bed, William J. Bryan was up early today. Before making any statement, he said: "I want to get the actual results in Ohio, Indiana and Kansas."

"Father slept like a baby," said Mrs. Leavitt, the Nebraskan's eldest daughter. Beginning with a brilliant victory in his home Precinct, William J. Bryan reversed a majority of 2,000 in this city, carrying his (Lancaster) county and will win the State by 10,000.

Taft carried nearly every big city.

The city of Memphis, Tenn., gave a plurality for Judge Taft.

Governor Cummins, Republican, is elected to the Senate from Iowa.

Covington and Newport both went Democratic, except that Youngblut, Republican, was elected Circuit Judge in Campbell.

Marshall, Democrat, was elected Governor of Indiana by 12,000, defeating Watson, but Taft carried the State by a big vote.

Former Vice-President Adlai Stevenson, Democrat, was defeated for Governor of Illinois by Governor Deneen by 40,000.

Some big Taft figures: Pennsylvania 350,000, New York 175,000, Massachusetts 120,000, Illinois 150,000, Ohio 100,000, Minnesota 80,000.

## NO MAN DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap, cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.

## Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:  
"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."

Another from Newark, N. J.  
"I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other one preparation, regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

We hate it worse than you do and will see to it that it happens no more.

P. S.—The plates came, afternoon, and we dumped 'em in the hell box without benefit of clergy.

## UNHAPPINESS DISPELLED.

Men and Women Unanimous About It. Many women weep and wail and refuse to be comforted because their once magnificent tresses have become thin and faded. Many men incline to profanity because the flies bite through the thin thatch on their craniums. It will be good news to the miserable of both sexes, to learn that Newbro's Herpicide has been placed upon the market. This is the new scalp germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction. Herpicide is a new preparation, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Try it yourself and be convinced. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

## Keep Your Bowels Open

A Safe Certain Home Remedy that is Sold By All Druggists

A fact any doctor will verify is that constipated people suffer most from disease. Regular bowel action is absolutely necessary to health. People who are constipated either part or all of the time must use something to make their bowels move. This should not be a violent purgative or a cathartic that merely tears its way through the bowels emptying them of waste matter for the time but leaving them in a weakened state that prolongs the constipated condition. Dr. Caldwell's Syrup Pepsin is an easy, pleasant, natural laxative that removes the waste matter and establishes regular, daily movements without pain or gripe. Children and delicate women should never be given strong physic for it not only weakens the bowels but the entire system. Dr. Caldwell's Syrup Pepsin serves as a tonic and an aid to digestion as well as a laxative that is certain in its effect upon the most obstinate old cases and yet safe and pleasant for a baby. With the first few doses the ill effects of constipation, such as dyspepsia, indigestion, liver trouble, biliousness, flatulency, sour stomach, sick headache, bloated stomach, etc., quickly disappear. It is a remedy that should be in every home for every member of the family at some time has need of a safe, sure laxative. Mrs. J. C. Cooper, Chicago, Ill., writes: "I use Dr. Caldwell's Syrup Pepsin for myself and family. I keep it on hand constantly, as I find it to be a most pleasant laxative and is all you claim for it." Sarah J. Houser, Eureka Springs, Ark., says: "I would have been dead had it not been for Dr. Caldwell's Syrup Pepsin. It is the best medicine I ever used for constipation, indigestion and biliousness." M. R. Zerkel, Troy, Ohio, considers it the best known laxative for children. We are glad to send a free sample to any one who has not used it and will give it a fair trial. Write today to Pepsin Syrup Co., 305 Caldwell Bldg., Monticello, Ill. All druggists sell it at 50c and \$1.00 per bottle.
